5+1 victorious

"5+1" is the name of the team which won the "German Campaign" practical project run by Ankara University's Faculty of Communication.

19.03.2014 - 22.03.2014

Workshop on Science and Technology Education

The main aim of this workshop is to prepare action plans which will provide effective brain circulation on science and technology education between two countries.

26.03.2014 - 26.03.2014

R&D PROJECT BROKERAGE EVENT 2014!

03.04.2014 - 03.04.2014

Irmtrud Pohl at GÜÇKOBİR

Irmtrud Pohl, wife of the German Ambassador to Turkey, is supporting GÜÇKOBİR by donating sports equipment.

10.04.2014

Presentation event at Ankara University "Lexikon des Dialogs. Grundbegriffe aus Christentum und Islam" (Lexicon of Dialogue: Basic Concepts from Christendom and Islam)

As part of the German-Turkish Year of Science 2014, a presentation event took place at Ankara University on 10 April 2014 to mark the publication of the "Lexicon of Dialogue: Basic Concepts from Christendom and Islam", in partnership with the Eugen-Biser-Stiftung (Eugen Biser Foundation) and the Faculty of Divinity.

12.04.2014

Intercultural competence in medicine

02.05.2014

Meeting of Erich-Frank-Gesellschaft and TATIK

06.05.2014 - 08.05.2014

Discussion Forum on possibilities of establishing a Turkish-German Applied Technical University

21.05.2014 - 30.05.2014

Hittites in the Embassies

The Çorum Foundation Ankara collaborated with the German Embassy to stage a programme on the Hittite people on 21 May 2014 at 7 p.m. at the Goethe-Institut Ankara.

23.05.2014

CogSci in Germany, CogSci in Turkey

The seminar event aims at bringing together cognitive science researchers in Germany and in Turkey. We aim at setting up long-term collaborative relations both among experienced researchers and among young researchers.

03.06.2014 - 04.06.2014

Bilkent - Fraunhofer IIS symposium

Scientists from the Fraunhofer Institute for Integrated Circuits IIS and professors from Bilkent University are together holding a science symposium on various current research topics in the fields of communications technology, image processing and medical engineering.

The aim of the Bilkent - Fraunhofer IIS symposium is to further develop the collaborative relationship that has already existed for several years and to work together in shared research fields through projects at either a bilateral or an EU level.

04.06.2014

TGD Science Prize

Award of the second Türkische Gemeinde in Deutschland (Turkish Community in Germany, TGD) science prize

11.06.2014 - 13.06.2014

Event at the Faculty of Engineering's Department of Physics and Engineering

Ankara University's Department of Physics and Engineering

11.06.2014 - 13.06.2014

GERMAN - TURKISH COOPERATION IN PHYSICS: NEW CHALLENGES IN SCIENCE

Turkish and German physicists to gather in Ankara for Humboldt Kolleg. Discussions will include fundamental issues relating to sharing research knowledge and experience.

16.06.2014 - 17.06.2014

Second GeT Net Meeting

Humboldt University, Berlin.

16.06.2014 - 21.06.2014

Creative competition: "Science Bridging Nations"

Between now and 21 July 2014, we are asking creative minds from around the world to design a poster illustrating German-Turkish cooperation. Entries can be submitted via the online platform jovoto. There is the chance to win cash prizes, while the overall winner can look forward to a trip to the closing event of the Year of Science in Istanbul.

16.06.2014 - 17.06.2014

Photovoltaic Workshop

Istanbul, TÜBİTAK Marmara Research Center

03.07.2014 - 03.07.2014

The Berliner Schloss -- a Keystone and Culmination of the "Critical Reconstruction" Phase

Heinrich--Heine--Str. 15, 10179 Berlin. This event is organized by Bahcesehir University's "Istanbul - Berlin Art Bridge" program in collaboration with BAU International Berlin. Both of these institutions are key campuses in the BAU Global Network of Universities, and collaborate in various areas from teaching and research to cultural initiatives.

20.07.2014 - 10.08.2014

IMAGINARY through the eyes of mathematics!

Karlstorbahnhof; Heidelberg

18.08.2014 - 29.08.2014

Informatica Feminale 2014

International Summer University for Women in Computing.

30.08.2014 - 05.02.2015

1. Turkey Autumn Cologne 2014

The first Turkey Autumn, to take place from September to November 2014 in Cologne, will turn the cathedral city into a centre of cultural, scientific and business-related dialogue between Turkey and Germany. During this period, German-Turkish relationships will be made the focus of public attention in Cologne.

31.08.2014 - 04.09.2014

"Research in Germany" at the 5th Congress of the European Association for Chemical and Molecular Sciences (EuCheMS)

Istanbul, Turkey.

23.09.2014 - 24.09.2014

11th BMBF Forum for Sustainability

Ludwig Erhard Haus, Berlin.

25.09.2014 - 26.09.2014

Turkish-German Aerospace Clusters Joint Workshop

26.09.2014 - 27.09.2014

Workshop on Managing Innovation in Air Transport (to reduce congestion and improve efficiency)

The Workshop focuses on the innovation issue in different sectors of Air Transport value chain.

29.09.2014 - 01.10.2014

German Conference on Bioinformatics (GCB)

The German Conference on Bioinformatics (GCB) is an annual, international conference devoted to all areas of bioinformatics. Recent meetings attracted a multinational audience with 250 – 300 participants each year.

12.10.2014 - 16.10.2014

Energy Technologies 2014

Ankara, Middle East Technical University (ODTÜ)

13.10.2014 - 13.10.2014

Turkish - German Conference on Energy Technologies

Recent developments of energy technologies.

13.10.2014 - 17.10.2014

Workshop "Link-in-Energy"

The main goal of the project is the development of architectural solutions for sustainable buildings. Looking at the future of architecture, two different approaches are discussed: The low-tech strategy, which focusses on reducing of the input and the high-tech strategy, which tries to find the most efficient solutions, which can do more than 'energy-saving'.

13.10.2014 - 17.10.2014

Currywurst meets Döner

Currywurst meets Döner invites you to learn about the culinary diversity of both cultures before, during and after the events.

13.10.2014

A political comparison of the events in Gezi and Frankfurt

The panellists are Prof. Dr. Maria do Mar Castro Varela (Alice Salomon Hochschule Berlin University of Applied Sciences) and Dr. Gökhan Tuncer (Humboldt University of Berlin).

14.10.2014 - 31.10.2014

Faces of the Humboldt University of Berlin

Through images and texts, this exhibition portrays students, academics and other members of the Humboldt University of Berlin who have Turkish roots.

14.10.2014

University and society – internationalisation as an driving force for integration

Does the internationalisation of Universities have a positive effect on society – or are the "academic ivory towers" and society disconnected from one another?

15.10.2014 - 17.10.2014

A cliché-free zone – contemporary Turkish literature in German

Publisher binooki will present their offering of contemporary Turkish literature.

15.10.2014

Everyday I'm Capuling – Gezi Park Protests 2013

The filmmaker Martina Priessner lives between Berlin and Istanbul and is an expert on Istanbul. Her film reviews the events that took place in the summer of 2013.

16.10.2014

Erdogan as President: On the road to a new Turkey?

The panellists are Prof. Dr. Silvia von Steinsdorff (Humboldt University of Berlin), Prof. Ersin Kalaycioglu (Sabanci University) and Prof. Dr. Kerem Altiparmak (Ankara University).

16.10.2014

Open research workshop: Constitutional politics in Turkey

The research workshop is aimed at students, young researchers and more established academics, who are warmly invited to discuss the constitutional politics in Turkey.

16.10.2014

"More-than-Moore" Joint Virtual Lab

Sabancı University, Turkey – IHP, Germany.

18.10.2014

Max Planck Science Tunnel Exhibition is in Istanbul

Max Planck Science Tunnel Exhibition welcomes its guests for the first time in İstanbul on 18th of October.

19.10.2014 - 22.10.2014

World Health Summit 2014

The World Health Summit (WHS) 2014 will be held from October 19 – 22 at the Federal Foreign Office, Berlin.

21.10.2014 - 21.10.2014

Scientific Symposium Heinrich Wieland Prize 50th Anniversary

Outstanding research from chemistry and biology to medicine. The Boehringer Ingelheim Foundation offers travel grants, poster presentations and a "Meet the Laureates".

21.10.2014 - 21.10.2014

Turkish-German Innovation Summit

Frankfurt Airport, Germany

23.10.2014

Contemporary Turkish Studies

"Contemporary Turkish Studies" lectures series at the University of Marburg's Center for Near and Middle Eastern Studies.

23.10.2014 - 25.10.2014

Railway Security Management Systems Workshop

Sakarya University, Turkey.

23.10.2014 - 24.10.2014

German-Turkish Science Dialogue

On the occasion of the German-Turkish Year of Science, the Leopoldina and the Humboldt Foundation have started a joint format: the German-Turkish Science Dialogue. The initiative highlights the contribution of scientists in tackling the systemic challenges of future developments: in societies, spaces and economies, in environment and health, as well as in the research-driven advancement of science and the innovation-based development of new technologies.

23.10.2014 - 23.10.2014

Turkish Film Week in Berlin

23.10.2014 - 24.10.2014

Modernisation through migration

Symposium, Turkey.

24.10.2014

Networked Challenges

Tectonics - Megacities - Urban Planning. 1st German-Turkish Science Dialogue "Networked Challenges: Tectonics – Megacities – Urban Planning".

24th October 2014, 13:30 – 18:30 h; Istanbul Technical University, Faculty of Architecture; Taşkılla Campus, 34743 Beyoğlu, Istanbul, Turkey.

30.10.2014 - 31.10.2014

Climate change response at the local level in Istanbul

This 1st workshop on "Climate change" response at the local level in Istanbul aims at discussing different climate change governance approaches as well as best practices with regards to climate change response in cities.

30.10.2014 - 31.10.2014

Animal Immunogenetic and Molecular Immunology Workshop

Erciyes University, Turkey.

04.11.2014 - 05.11.2014

MicroRNA Workshop

Gediz University Izmir; Turkey.

05.11.2014 - 06.11.2014

World Automotive Conference in Turkey

"World Automotive Conference in Turkey" will attract automotive, logistics and technology sector leaders from around the globe.

07.11.2014 - 08.11.2014

Anniversary Conference "20 Years of German-Turkish psychiatry - barriers, bridges and perspectives"

07.11.2014 - 13.11.2014

International Crime and Punishment Film Festival

10.11.2014 - 14.11.2014

Interest in delegation trip to Konya for German businesspeople

During the development trip, German and Turkish researchers and industry representatives will meet in order to further cultivate the exchange of knowledge and experiences, and to deepen the cooperation between universities regarding training and further education, during the German-Turkish Year of Research, Education and Innovation.

11.11.2014

Metabolomics for Biomarker Discovery and Personalised Therapies in Sepsis

Hacettepe University; Turkey.

13.11.2014

Fifth Meeting on Towards Establishment of the Turkish Arctic & Antarctic Research Program (TuArk)
Middle East Technical University, Institute of Marine Sciences, Mersin - Turkey.

18.11.2014 - 20.11.2014

Workshop on "Nuclear structure studies using empirical and theoretical ground and excited state properties"

The workshop will cover ground state observables such as masses and charge radii, and excited state observables, in particular low-lying excited levels, for nuclei in different regions of the nuclei chart. One of the main goals of the workshop is to combine all of these observables and study nuclear structure in a wider perspective with well known scientists who are experts in their fields.

20.11.2014

Digital Storytelling and Everyday Life Narratives of Turkish Migrant Women Living in Melbourne, Australia

Technische Hochschule Nürnberg Georg Simon Ohm / Burcu Simsek aims to discuss her current work on digital storytelling workshops that she has ran this August-September with migrant women from Turkey living in Melbourne.

22.11.2014 - 23.11.2014

Grid integration of renewable energy resources via EMTP-ATP

Gebze Institute of High Technology, Turkey.

24.11.2014 - 26.11.2014

Turkish Days at Landshut University

The Turkish Days will take place from 24 to 26 November 2014 at Landshut University as part of the Turkish Weeks organised by the German Rectors' Conference (HRK).

28.11.2014

German Turkish Business Forum of BridgehouseLaw

BridgehouseLaw, İstanbul. For the purpose of enhancing business ties and create networking channels among Turkish and German entrepreneurs, corporations and businessmen we have initiated our business forums at the beginning of this year in Cologne. Now, we will hold the second business forum in İstanbul.

05.12.2014 - 06.12.2014

I. International Workshop about Biogas and Kompost

Akdeniz University, Turkey.

10.12.2014 - 12.12.2014

The workshop on the improvements of Organic Standards in Turkey

Ege University, Turkey.

11.12.2014 - 12.12.2014

AreGE3 - 3. Aegean R&D and Technology Days

AreGE3 is 2-day mega conference and technology marketplace that is organized by Ege University EBILTEM Technology Transfer Office to bring together local and international seekers and providers of new technologies and innovative solutions, to foster collaboration and partnerships.

11.12.2014

Closing Event of the Turkish Weeks at German Universities

Technical University of Berlin.

11.12.2014

Istanbul Day at the TU Berlin

Technical University of Berlin.

07.01.2015 - 07.01.2015

TD-IHK (Chamber of Industry and Commerce) Round Table

13.01.2015 - 13.01.2015

From community to the individual - Turkish-German perspectives for innovative health science, health policy and health economics

Turkey and Germany face major societal challenges due to ongoing demographic changes, affecting the burden of diseases and necessary health care structures to address these challenges. Institutions in both countries possess key knowledge to develop and contribute solutions.

07.02.2015

Islam in Europe, religious freedom and dialogue between Christians and Muslims

On 7 February 2015, the Eugen Biser Foundation and the University of Tübingen's Center for Islamic Theology will be holding an open discussion with the title "Dialogue between Christians and Muslims" as part of the German-Turkish Year of Science.

16.02.2015

A life with two homelands

Documentary film and discussion in the Haus der katholischen Kirche, Stuttgart.

19.02.2015 - 20.02.2015

Workshop (Re-)Migrants in the German-Turkish Innovation Network

The topic under discussion will be theoretical perspectives and empirical results relating to the role of (re-)migrants in the German-Turkish Innovation Network.

20.04.2015

Call for applications for Mercator-IPC Fellowships

Stiftung Mercator and Istanbul Policy Center at Sabancı University invite academics, journalists and professionals with an interest in Turkey to apply for a fellowship program that aims to strengthen academic, political and social ties between Turkey and Germany, as well as Turkey and Europe.
